My dear Miss Fulton:-

I am glad to send you under another cover a copy of the First Book, "Spanish Songs of Old California", and feel sure that as a musician you will enjoy these true folk-songs.

Though privately printed, the book has had a very large sale, and the songs are being sung in many places throughout the country --- and out here by hundreds of schools and clubs and other organizations.

I am planning to bring out the Second Book, also 14 Songs, in a very short time.

Sincerely,
